

Share Books and stories

Looking at Books together is a great way of learning from a very young age.

Access to Books

If a local Library is open, you can borrow books for free, and attend activities free for children.

PARENT WORKSHOP

2nd November 2022

Sing Songs and Rhymes

Singing nursery rhymes and songs is a great way to help your child learn new sounds and words through Rhyme Repetition.

Paint and draw

Making marks and scribbles are the beginning of learning to write

Play with Letters

Playing games with the shapes and sounds of letters makes learning fun.

Play Together

Young Children learn through play. Playing together helps children develop the skills they need to communicate and socialise.

Get out and about

Going for a walk or to the shops together gives you and your child ne things to experience including things to see, feel, smell, taste and hear, as well as lots to chat about.
